Знаю, ей легко в твоей груди Стать безумства бездной - Но у нас всё это впереди...</p> <p>Дай мне силу - я Отворю любые двери, Я убью любого зверя. Ты мне веришь? Дай мне силу - с ней Я достану страсть из пекла И восстану вновь из пепла, Вновь - из пепла!</p> <p>Знаю, можешь сердце мне пронзить Ласковым, нежным взглядом, Вижу, эту тайну не раскрыть - И не надо. Заструится звёздный млечный путь Под твою кожей. В эту ночь вдвоём нам не уснуть...</p> <p>Только дай мне силу, Слышишь - дай мне силу, Дай огню любви сиять!</p>

Welcome to the night
 And you will see you've got the magic power
 I am on my way, I keep the key to your tower
 You can serve me something really hot
 Call it love or madness
 But you'll get the best of what I've got

Work your magic
 I never wanna lose this feeling
 I am able and I'm willing
 Yes, I'm willing
 Work your magic
 You set my beating heart in motion
 When you cast your loving potion
 Loving potion
 Work your magic
 I never wanna lose this feeling
 I am able and I'm willing
 Yes, I'm willing
 Work your magic
 You set my beating heart in motion
 When you cast your loving potion
 Over me

Baby, you can put your spell on me
 Makin'it slow and steady
 Maybe I can solve your mystery
 Are you ready?
 We are standing closely skin to skin
 Playin'a very old game
 In this game of love you always win

Work your magic
 I never wanna lose this feeling
 I am able and I'm willing
 Yes, I'm willing
 Work your magic
 You set my beating heart in motion
 When you cast your loving potion
 Over me
 When you cast your loving potion
 Over me

So you work your magic
 Baby, work your magic
 Keep my heart forever bound
 Work your magic
 I never wanna lose this feeling
 I am able and I'm willing
 Yes, I'm willing
 Work your magic
 You set my beating heart in motion
 When you cast your loving potion
 Over me
